# BIKE BINGO

I visited a Little Free or Public Library by bike	I smiled or waved at another rider or walker today	I visited a local store or business by bike	Leveled-up my Knowledge! Watched the Cascade video on "How to clean your bike chain"	Had an ADVENTURE on my bike! 
Mapped a safe route to my school or bus stop 	Did a "tie & tuck" before my ride (Tied and moved my shoelaces out of the way. Rolled my pant legs up.)	Took my bike up a BIG OI' HILL! 	I visited a park or greenspace by bike	Checked my tire pressure and added air (if needed)
Did an "A-B-C Quick Check" on my bike!	Leveled-up my Knowledge! Researched a cycling role model like "Marshall Walter 'Major' Taylor"	Ensured my helmet is fit correctly (2-2-2 Check)	Biked 20min	I used hand-signals to communicate with other road users on my ride
I visited a P-Patch or Rainwise Garden by bike	Biked a new route	Added a piece of safety snazz to myself or my bike (ex: reflector tape, bell, or lights) 	Leveled-up my Knowledge! Watched Bike Works' "Fix-a-Flat Demo (fast edition)"	Reduced my carbon footprint by riding my bike today
I used a special "bike facility" on today's ride (ex: sharrow, bike box, or green painted bike lane)	I encouraged a friend or family member to try riding their bike	Leveled-up my Knowledge! Watched an educational video by The League of American Bicyclists	Wrote a haiku about bike riding (Bonus: sent Cascade a copy!)	Played a bike game or tried a new skill on my bike
